

## LENS REMOVAL

To separate the lens from the frame grasp the brow bar indicated in the drawing and pull apart.

## NOSE PIECE REMOVAL\*

1) The nose piece and primary lens are interlocking.

2) To detach pull a leg of the nose piece. Once the leg is disengaged the nose piece will simply rotate out.

\*Should you require corrective lenses remove the rx carrier prior to removing the nosepiece. See Rx Carrier instruction

## INSTALLING THE LENS - STEP 1

Position the slot of the brow bar to the notch of the lens...

## INSTALLING THE LENS - STEP 2

... and squeeze together as pictured

**MAINTENANCE:** Wiley X lenses are specially coated to offer superior abrasion resistance. Please follow below instructions to prolong the life of your lenses and keep them performing at their best:

- Clean lenses with water only.
- Do not use solvents or special cleaners.
- Use micro-fiber cleaning cloth provided to gently wipe clean.
- Never use paper products to clean and avoid wiping lens surface when dry and/or dirty as this may potentially scratch the lens.

**WARNING:** Wiley X brand eyewear is tested tough. However, impact resistant eyewear is not unbreakable and does not provide unlimited eye protection under all circumstances and conditions. Misused, abused, scratched and/or damaged eyewear can reduce impact protection (and void your limited warranty). Dirty and/or wet eyewear can impair vision and reduce safety (resulting in personal injury and/or property damage). Keep your Wiley X eyewear clean with water only. Do not use solvents or abrasives as it could scratch or damage the product reducing its effectiveness. Store your Wiley X eyewear in the protective case provided to prolong the life of the lenses. Most of all, take all appropriate precautions when wearing your Wiley X eyewear during hazardous and/or dangerous activities and conditions. Wiley X, Inc. is not responsible for personal injury, property damage or losses incurred while using Wiley X brand products.

## INSTALLING NOSE PIECE

To install the nose piece, simply align the slot of the nosepiece with the lens and squeeze together.

## NOSE PADS ADJUSTMENT

The wire core nose pads are adjustable ensuring the best fit for you.

## INSTALLING THE PRESCRIPTION CARRIER - STEP 1

The prescription carrier is held in place by aligning the buds on the Rx carrier into the notches on the nose piece.

## INSTALLING THE PRESCRIPTION CARRIER - STEP 2

Align the groove of the nose piece into the center notch of the frame.

## INSTALLING THE PRESCRIPTION CARRIER - STEP 3

Position hands as pictured above and squeeze together until the nose piece completely seats into the lens.

## TEMPLES / TACTICAL STRAP

### TEMPLE ADJUSTMENT

The length of the temple arm may be adjusted by up to .75" with the 4 position extendable arm.

### INSTALLING TACTICAL STRAP

Pull the adjustable temple arm so it is separated from the frame. Replace with tactical strap connectors, pushing firmly until they click.
